4-5 yr.	Saturday	11:30am	April 3 rd	\$110/child	8 weeks

Children learn best through positive modeling, and when playing sports the same is true. Our instructors will always demonstrate kindness, consistency, patience, and acceptance. What makes us different? Our classes not only teach basic soccer skills and techniques, they also teach the importance of good sportsmanship, teamwork, and positive thinking. We know that positive reinforcement leads to success. We reward the children with our one of a kind PATCH program. These patches represent a variety of outstanding character qualities which are important not only in sports, but in life. Children earn a patch each class by displaying such life skills such as listening, sharing, hustling and team work just to name a few.

To Little Kicks, all children win when they learn to love playing sports!
